EDUCATION

University of Amsterdam

Amsterdam, NL

Master of Science in Cognitive Science

June 2027

- **Relevant Coursework:** Computational Cognitive Neuroscience, Neural Cognitive Modelling, Higher Cognitive Functions, Philosophy of Cognition

Boston College

Chestnut Hill, MA

Bachelor of Science in Business Analytics | Bachelor of Arts in Psychology

May 2025

- **Relevant Coursework:** Applied Statistical Modeling, Machine Learning & Artificial Intelligence, Research Practicum in Human & Artificial Intelligence, Data Management for Analytics and Application

RESEARCH EXPERIENCE

Chair of Cognitive Science at ETH Zürich (PI: Christoph Hölscher)

Zürich, CH

Visiting Researcher

February 2026 -

Present

- Building generative agent-based models to simulate how healthcare spatial layouts influence staff movement, visibility, and interaction dynamics (Python, Unity)

Morality Lab at Boston College (PI: Liane Young)

Chestnut Hill, MA

Undergraduate Research Assistant

September 2023 - May 2025

- Co-authored research showing intergenerational concern predicts interest in high-impact, long-term careers (Excel, R)

LEADERSHIP EXPERIENCE

Center for Digital Innovation in Learning

Chestnut Hill, MA

Student AI Advisor

September 2024 - May 2025

- Developed AI-powered Socratic tutors and experimental digital learning experiences in collaboration with faculty and students

Boba Guys

Los Altos, CA

Shift Lead/ Bobarista

Summer 2023

- Managed high-volume operations (125-150 drinks per shift) and trained 3 new team members

TECHNICAL SKILLS

Programming: R (Intermediate), Python (Intermediate), SQL (Intermediate), HTML (Beginner)

Data Analysis: Statistical Modeling, Machine Learning, Neural Networks, Data Visualization, Excel

OTHER SKILLS & INTERESTS

Languages: English, Spanish, Greek (Awards: The State Certificate of Attainment in Greek Level A1&A2)

Hobbies: Hiking, Photography, Reading, Blogging, Basketball/Soccer, Cooking, and Live Music
